# CASPER UPDATES

- ▶ Casper is obtaining a new subcontractor to build the 4<sup>th</sup> noise monitor
  - ▶ Expect construction to begin late Summer
- ▶ Air Traffic Control Receiver
  - ▶ Will attempt to construct at same time as noise monitor
- ▶ Noise Lab Updates
  - ▶ Document library included with links on the pages
  - ▶ Noise contours on the maps
  - ▶ Remove Bft, just Kts
  - ▶ Link to DAL website
  - ▶ Add runway names Lemmon/Denton
  - ▶ interactive pages for Noise Monitors, Traffic, and Complaints

# RUNWAY 13R-31L RECONSTRUCTION PROJECT

- ▶ Draft Environmental Assessment (EA) was made available to the public for comment from March 22<sup>nd</sup> – April 22<sup>nd</sup>
  - ▶ Notice of Availability (NOA) was published in the *The Dallas Morning News* (March 22<sup>nd</sup>) and *Al Día* (March 27<sup>th</sup>)
  - ▶ NOA and Draft EA posted on DAL and City of Dallas websites
  - ▶ Hardcopies were made available at local libraries and DAL offices
    - ▶ Bachman Lake Branch, Oak Lawn Branch, and Grauwlyer Park Branch
- ▶ No public comments were received on the Draft EA

# RUNWAY 13R-31L RECONSTRUCTION PROJECT

- ▶ Anticipated Construction Schedule
    - ▶ Late 2020 through early 2022
    - ▶ 9-month runway closure beginning early 2021
  - ▶ The City will provide updates on the project via the DAL website and future Good Neighbor meetings
  - ▶ Mailings will be sent to noise affected residents prior to construction
-
